

## Dear Esteemed Homeowner,

We hope this communiqué finds you in the best of health.

We are writing to you with respect to the status of your home at DB Crown, Prabhadevi.

Over the past three months, the delay in issuance of the further CC by MCGM is holding up work on site. As you would be aware we already have the requisite approved plans and hence this delay is unscheduled. We are expecting approval of the revised concession report and receipt of further CC by end of April 2017. However, you can be rest assured that we shall leave no stone unturned to honour the dates committed to you for completion of Towers A & B by June 2019 and Tower C by June 2020.

Our construction partners L&T are ready to carry out the construction upon receipt of the further CC. In the meantime, we continue our design workshops with Architect Hafeez Contractor and GA Residentials' teams to ensure that the final product is of the highest standard.

Our sales executives shall be happy to clarify any further queries. Please do not hesitate to contact Arpan Goel +91 9987126044, Miloni Mehta +91 9870014072, Raja Dixit +91 9870001569, DB Crown Sales Pavilion 022-43158200.
