

**Mr. Rajiv Agarwal**  
**Chief Operating Officer**

Mr. Rajiv Agarwal has been associated with DB Realty Ltd and other promoter group companies for over 30 years. He is currently the Chief Operating Officer of DB Realty Ltd since 15<sup>th</sup> September 2009.

Having started with Dynamix Group of Companies in 1983 as Vice President, Mr. Agarwal has been associated with the group in various capacities and has been Director of several group companies over the last few decades. Mr. Agarwal is a Science Graduate from Mumbai University.

Dubbed as the taskmaster, Mr. Rajiv Agarwal has played a pivotal role in the company's foray into real estate. With his rich experience of over 30 years in the entire value chain of real estate, specifically land acquisition, liasioning, business development, finance, sales & marketing and co-ordination with partners and key stakeholders; Mr. Agarwal has made significant contribution in enhancing the profitability of Dynamix and DB Group by ensuring operational efficiency and bringing greater financial control. In his current role, financial management is his key focus and reporting directly to the Chairman and the Managing Director.

Mr. Agarwal was part of the key management team responsible for the listing of DB Realty Ltd. in the National and Mumbai stock exchange. His magnetic personality and brilliance has helped the DB Realty brand cover enormous ground. Under his leadership and supervision the company has witnessed extraordinary growth.
