CHARTERED ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

To
The Members of
D B Man Reality Limited

Report on the Audit of Financial Statements

Opinion

1. We have audited the financial statements of **D B Man Reality Limited** ('the Company'), which comprise the Balance Sheet as at 31st March, 2020, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (together referred to as 'the financial statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Material uncertainty related to going concern

4. The Company's has filed writ petition before the Hon' High Court of Bombay, which is admitted. Attention is drawn to Note No. 1 and 12 of the audited financial statements for the year ended 31st March, 2020 which explains the matter including a favourable opinion from an Advocate High Court that the Company has fair and reasonable chance of the order coming in its favour. The conditions as regards the development of the project more particularly explained in the said notes, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Our conclusion is not modified in respect of this matter.

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Material Uncertainty Related to Going Concern* section, we have determined the matter described below to be the key audit matter to be communicated in our report.

Key audit matter

Net realizable value testing of project work-in-progress (Refer Note No. 1, 4 & 12 of the financial statements)

As at March 31, 2020, carrying amount of project work-in-progress is Rs. 13,17,01,611/-, which is carried at cost based on the judgments of the Company as regards the Writ Petition pending before the Hon. High Court of Bombay, supported by a favourable opinion from an Advocate High Court that the Company has fair and reasonable chance of the order coming in its favour. Based on these judgments, the Company has concluded that there is no write-down required in valuing the project work-in-progress.

How our audit addressed the key audit matter

Our procedures included, but were not limited to the following:

- (a) Obtained an understanding of the matter under dispute with Legal Head of the Group.
- (b) Verified on the official website of the Court to check the status of the matter;
- (c) Asked for an opinion of the advocate; and
- (d) Measurement of the investment by the holding company, being a financial asset and opinion of the Statutory Auditors thereon.

Based on our procedures, it has been concluded as under:

- (a) the matter is sub-judice before the Hon' High Court of Bombay and in the opinion of the Advocate High Court, the Company has fair and reasonable chance of the order coming in its favour;
- (b) If decided against then, the value of inventory of Rs. 13,17,01,611/- will have to be written-off. The Statutory Auditors of the holding company in their audit report for the year ended 31st March, 2019 on the standalone financial statements as also in their limited review reports for and up to period ended 31st December, 2019, have qualified for non-provision for permanent diminution in the value of its investment and as represented by the management the status would remain same for the year ended 31st March, 2020.

Information Other than the financial statements and Auditor's Report Thereon

6. The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is Director's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw

attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement dealt with this report are in agreement with the relevant books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on 31st March, 2020 and taken on record by the Board of Directors, none of the directors are disqualified as on 31st March 2020, from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report given in Annexure "B". Our report expresses an unmodified opinion on the adequacy

and operating effectiveness of the Company's internal financial controls over financial reporting;

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigation on its financial position in its financial statement. Refer Note No. 12 of the financial statements.
 - (ii) The Company does not have any long-term contracts including derivative contracts and hence the question of making any provision, as required under any law or accounting standards, for material foreseeable losses does not arise.
 - (iii) There are no amounts which were required to be transferred to the Investor Education and Protection Fund.
 - (iv) During the year, the Company has not paid any remuneration to its Directors and hence the question of reporting under Section 197 (16) does not arise.

D B Man Reality Limited**Annexure – A to the Independent Auditors' Report for the year ended 31st March, 2020**

[Referred to in point 9 under the heading "Report on other legal and regulatory requirements" of our report of even date]

- (i) In respect of tangible fixed assets (Property, plant and equipment)
- (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) All the fixed assets have been physically verified during the year by the management which, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such verification.
- (c) The Company does not own any immovable property. Therefore, paragraph 3(i)(c) of the Order is not applicable to the Company.
- (ii) The Company does not have any physical inventory and the value which is assigned to project work in progress represents the cost incurred in prior years for a project which got cancelled. Therefore, paragraph 3(ii) of the Order is not applicable. Attention is drawn to Note No.1 and 12 of the financial statements giving the facts and status of the value assigned to project work in progress.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Therefore, the requirement paragraph 3(iii) of the Order are not applicable to the Company.
- (iv) The Company has not granted any loans or provided guarantees or security covered under section 185 and section 186 of the Act. Therefore, paragraph 3(iv) of the Order is not applicable to the Company.
- (v) The Company has not accepted any deposits from the public. Thus, paragraph 3(v) of the Order is not applicable.
- (vi) In our opinion and according to the explanations given to us, the Company has not accepted any deposits. Therefore, question of reporting compliance with directive issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder does not arise. We are informed that no order relating to the Company has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal.
- (vii) The Central Government has not prescribed maintenance of cost records under section 148 (1) of the Act for the services rendered by the Company. Therefore, paragraph 3(vi) of the Order are not applicable to the Company.
- (viii) The Company did not have any material liability of statutory dues for the year. Further, it does not have any disputed statutory dues. Therefore, paragraph 3(vii) of the Order is not applicable.
- (ix) The Company has not borrowed any money from financial institutions or banks or debenture holders. Therefore, paragraph 3(viii) of the Order is not applicable to the Company.
- (x) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Therefore, paragraph 3(ix) of the Order is not applicable to the Company.
- (xi) During the course of our examination of the books of account and records of the Company, carried out in accordance with generally accepted auditing practices in India and according to information and explanation given to us, we have neither noticed nor have been informed by

the management, any incidence of fraud by the Company or on the Company by its officers or employees.

- (xii) According to the information and explanations given to us and based on the examination of the records, the Company has not paid / provided any managerial remuneration during the year. Therefore, paragraph 3(xi) of the Order is not applicable to the Company.
- (xiii) The Company is not a Nidhi company. Therefore, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any transaction, as prescribed under section 188 of the Act. Therefore, paragraph 3(xiii) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Thus, paragraph 3(xiv) of the Order is not applicable.
- (xvi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Thus, paragraph 3(xv) of the Order is not applicable.
- (xvii) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Report on the Internal Financial Controls under section 143(3)(i) of the Companies Act, 2013 ("the Act")**Opinion**

We have audited the internal financial controls over financial reporting of **D B Man Reality Limited** ("the Company"), as of 31st March, 2020, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note"), issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statement. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

DB MAN Realty Limited
Notes forming part of the Financial Statements

1 Company background :

DB MAN Realty Limited (the "Company") is incorporated and domiciled in India. The Company is subsidiary of DB Realty Limited, which is listed with National Stock Exchange and Bombay Stock Exchange. The Company has its principal place of business in Mumbai and its Registered Office is at DB House, Gen. A. K. Vaidya Marg, Goregaon (East), Mumbai - 400063.

The Company, a Special Purpose Vehicle, was formed by D B Realty Limited, Conwood Agencies Private Limited, Man Infraconstruction Limited and Ajwani Infraconstruction Private Limited, for the purpose of developing and constructing an Eco Friendly Affordable Township at Sector 12 at Bhosari, Pune on a public private partnership basis for which Letter of Allotment (LOA) dated 25th August, 2009 was issued by Pimpri Chinchwad New Town Development Authority (the Project). The said LOA was cancelled during the year ended 31st March, 2012, against which writ petition has been filed before the Hon' High Court of Bombay, which is admitted.

The Company's financial statements were authorised for issue in accordance with a resolution of the Board of Directors on in accordance with the provisions of the Companies Act, 2013 and are subject to the approval of the shareholders at the Annual General Meeting.

2 Significant Accounting Policies, Accounting Judgements, Estimates and Assumptions followed in the preparation and presentation of the financial statements:

2.01 Basis of preparation and measurement :

(a) Basis of preparation -

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements are presented in Indian Rupee ("INR"), the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the "functional currency")."

(b) Basis of measurement -

These Ind AS financial statements have been prepared on a historical cost basis, except for financial assets and liabilities measured at fair value (refer accounting policy no. 2.05 regarding financial instruments). Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

DB MAN Realty Limited
Notes forming part of the Financial Statements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole :

- **Level 1** — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- **Level 2** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **Level 3** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

2.02 Current and non-current classification of assets and liabilities and operating cycle :

An asset is considered as current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is considered as current when -

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

DB MAN Realty Limited
Notes forming part of the Financial Statements

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

2.03 Property, plant and equipment :

Property, Plant and Equipment are recorded at their cost of acquisition, net of MODVAT / CENVAT, less accumulated depreciation and impairment losses, if any. The cost thereof comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost for bringing the asset to its working condition for its intended use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit or Loss when the asset is derecognised.

2.04 Depreciation :

Depreciation on Property, Plant and Equipment is provided on Straight Line Method in accordance with the provisions of Schedule II to the Companies Act, 2013. The Management believes that the estimated useful lives as per the provisions of Schedule II to the Companies Act, 2013, are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.05 Financial instruments :

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets –

(a) Initial Recognition and Measurement–

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

(b) Subsequent Measurement –

For purposes of subsequent measurement, financial assets are classified in following categories :

- Financial assets at Amortised Cost.
- Financial assets at Fair Value through Other Comprehensive Income. (FVTOCI)
- Financial assets at Fair Value through Statement of Profit and Loss. (FVTPL)

DB MAN Realty Limited
Notes forming part of the Financial Statements

Financial Assets at Amortized Cost

A financial asset is measured at the amortised cost if both the following conditions are met :

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and any fees or costs that are an integral part of the EIR.

Financial Assets at FVTOCI

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test : The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- Cash flow characteristics test : The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at FVTPL

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an "accounting mismatch") that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

All other financial assets are measured at fair value through profit or loss.

(c) Derecognition –

A financial asset (or, where applicable, a part of a financial asset or group of similar financial assets) is primarily derecognised (i.e. removed from the Company's statement of financial position) when :

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either;
 - the Company has transferred substantially all the risks and rewards of the asset, or
 - the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

(ii) Financial liabilities –

(a) Initial Recognition and Measurement -

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, trade and other payables and financial guarantee contracts.

(b) Subsequent Measurement -

This is dependent upon the classification thereof as under :

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. EIR amortisation is included as finance costs in the statement of profit and loss.

(c) Derecognition -

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(iii) Offsetting of financial instruments -

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise an asset and settle the liabilities simultaneously.

2.06 Taxes on Income :

Income Tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in Equity or in Other Comprehensive Income.

(i) Current income tax

Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to Income tax is included in current tax expense.

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

2.07 Provisions and Contingent Liabilities :

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

When the Company expects some or all of a provision to be reimbursed, the same is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the financial statements if the inflow of the economic benefit is probable than it is disclosed in the financial statements.

Both provisions and contingent liabilities are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognized but are disclosed in the notes.

2.08 Exceptional Items :

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

2.09 Earnings per share (EPS) :

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for events including a bonus issue, bonus element in right issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

DB MAN Realty Limited
Notes forming part of the Financial Statements

2.10 Cash and cash equivalents :

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank and in hand and short term highly liquid investments which are subject to insignificant risk of changes in value.

2.11 Statement of cash flows :

Cash Flow Statement is prepared under the Indirect Method as prescribed under the Indian Accounting Standard (Ind AS) 7 - Statement of Cash Flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.12 Commitments :

Commitments are future liabilities for contractual expenditure. The commitments are classified and disclosed as follows :

- (a) The estimated amount of contracts remaining to be executed on capital accounts and not provided for; and
- (b) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of the Management.

2.13 Judgements :

In the process of applying the Company's accounting policies, management has made the following judgement, which has the most significant effects on the amounts recognised in the financial statements :

Assessment of the writ petition before the Hon' high Court of Bombay as regards cancellation of LOA.
Refer Note No. 1 and 12.

2.14 Estimates and Assumptions :

There are no key estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Loans Taken		
Taken during the year	17,604 (2,98,055)	- (10,030)
As on Year end	As at March 31, 2020	As at March 31, 2019
Loans Taken		
Holding Company	7,63,445	7,45,841
Fellow subsidiary	10,030	10,030

Notes:

- (i) The aforesaid related parties are as identified by the Company and relied upon by the Auditors.
(ii) Figures in bracket refer to previous year's figures.

17 Segment Reporting:

The Company is in the business of real estate development which is the only reportable operating segment. Hence, separate disclosure requirements of Ind AS-108 Segment Reporting are not applicable.

18 Financial Instruments

The significant accounting policies, including the criteria of recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability, and equity instrument are disclosed in note 2.05 of the Ind AS financial statements.

18.1 Financial assets and liabilities:

The carrying value of financial instruments by categories as of March 31, 2020 are as follows:

Particulars	Note No.	Amortised Cost	Carrying amount As at March 31, 2020
Financial assets:			
Cash and cash equivalents	5	8,267	8,267
Total		8,267	8,267
Financial liabilities:			
(i) Borrowings	9	12,53,475	12,53,475
(ii) Trade payables	10	50,747	50,747
Total		13,04,222	13,04,222

The carrying value of financial instruments by categories as of March 31, 2019 were as follows:

Particulars	Note No.	Amortised Cost	Carrying amount As at March 31, 2019
Financial assets:			
Cash and cash equivalents	5	18,773	18,773
Total		18,773	18,773
Financial liabilities:			
(i) Borrowings	9	12,35,871	12,35,871
(ii) Trade Payables	10	37,885	37,885
Total		12,73,756	12,73,756

18.2 Financial Risk Management:

At present, the Company's financial obligation is met by the Holding Company by providing Interest free loans. Therefore, the risk management policy as adopted by the Holding Company is adhered to by the Company.

18.2.1 Liquidity Risk:

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The table below provides details regarding the contractual maturities of financial liabilities as at March 31, 2020:

Particulars	Amount payable during below period				
	As at 31st March 2020	Within 1 year	1-2 years	2-5 years	more than 5 years
Liabilities					
Borrowings (Unsecured)
