About DB Realty Ltd.

Founded in 2007, DB Realty Limited has in a short span of time covered enormous ground, thereby establishing its place as a leading real estate developer in India. While our growth story is rooted in facts and figures, our legacy will be built on a strong reputation of excellence in residential, commercial and gated community developments.

We pride ourselves not only on the quality of our work but also on our strong network built over many successful partnerships. We believe that a healthy relationship with our partners is the key to the overall growth of the industry and hence we have maintained and will continue to grow our association with an array of exceptional banks, accomplished development managers, experienced contractors, highly-rated consultants, and visionary architects with an analytical bend of mind and out-of-the-box ideas.

Our expanding portfolio consists of over 100 million sq. ft of prime property - carefully crafted by 15,000 experts and managed by over 500 internationally and nationally acclaimed executives – across 35 exclusive projects that have served close to 20,000 satisfied customers till date. Most of the projects are based in and around Mumbai, and are under various stages of planning and construction.

Widely accredited with redefining luxury living in Mumbai, DB Realty constantly seeks to design aesthetically striking residences, responding to changing needs and evolving lifestyles. Our residential projects include a wide range of premium condominiums across North and South Mumbai, built in partnership with best-in-class contractors and master architects.

With a notable and consistent track record of growth, customer satisfaction and innovation, DB Realty is known to execute challenging projects with efficiency, speed and confidence. And being backed by a highly experienced team of experts from diverse backgrounds only strengthens our ability to do so.

Going forward, DB Realty hopes to continue changing the landscape of Mumbai with growth and sustainability; it is committed to being environment friendly.
